Superintendent Michael Lamb called the meeting to order. He welcomed those in attendance and thanked them for coming. He noted that this meeting was called to finalize a calendar proposal for 2019-2020.

Lamb told the committee that the staff development waiver had been applied for and approved since the last meeting, so only one calendar would be finalized and sent to the school board for approval. He reminded members of the rules governing the number of student and staff days. He then reviewed how those days are changed due to the use of minutes and waiver days.

Lamb reviewed the calendar proposal and pointed out a change made since the last meeting. The Friday off before Christmas break was moved to the Monday following Easter. A student holiday/staff work day previously scheduled for the Friday before spring break was moved to the Monday following spring break. Following review, the committee agreed to this version of the calendar. The calendar will be submitted to the school board for approval at their March 11 meeting. A copy of the proposed calendar is attached to these minutes.

Lamb discussed how the upcoming staff/student holiday on Thursday, March 7 (for State basketball tournament) would be made up. Beginning on Monday, March 25, six minutes will be added to each day through the remainder of the school year. Three minutes will be added to the beginning of the day and three minutes to the end of the day. Parents and staff will be notified on March 11 of this change.

Lamb thanked members again for attending and the meeting was adjourned.
