Jason Evans called the meeting to order. He reviewed several Federal Programs evaluations with members. Evans explained why the evaluations are required. He showed the group a usage report, as well as the A-F rating to look at use. He also discussed the A-F based on minutes. He provided members with copies of additional information (attached to minutes).

Evans reviewed the Title I student software programs used by the district and the costs associated with them as follows:

- IXL - \$40,753
- TPRI - \$10,570 being discontinued due to TEA mandate
- Education Galaxy - \$15,857
- Brain Pop - \$11,449
- Reading A-Z - \$23,094
- Reflect Math - \$14,828

Teachers Kodeann Crawford, Tiffany Kral, and Kaci Smith spoke about using the Education Galaxy and Reflex Math software.

Next Evans reviewed other Title I programs and costs as follows:

- 806 Technology - \$7,250
- Region 8 Contracts - \$13,500
- CoGat (campuses) - \$10,725 (K/1st grade diagnostics-Kristin Monk)
- Elementary iPads - \$94,000
- Blackboard Connect - \$3,045

The last area of review was for RLIS and includes the following programs/costs:

- MyOn SSMS - \$8,050
- Eduhero - \$5,076
- Computer chargers - \$3,500
- Region 8 Contract - \$39,200
- RTI Success Ed - \$1,924
- Anonymous Alerts - \$3,250 (Kristin Monk explained)
- SSES Robotics - \$2,669
- Curriculum Development - \$10,000 (Lisa Robinson explained)

Craig Toney, Bilingual/ESL Director, gave a Title 3 program presentation and evaluation. Mr. Toney explained what campuses Title 3 funds staff at and the programs and books that Title 3 has purchased in 2021. He recommended supporting the same staff and to continue with supporting campuses with books.

Josh Williams discussed the ESSER III program. He discussed the intent of the program, acceptable uses for the funding, and needs identified so far from the stakeholder survey. He shared copies of the ESSER III Survey results. The survey was recently sent to all district stakeholders, including students, parents, and staff. (Copy of survey results attached to minutes.) He invited stakeholder feedback in the form of sharing ideas within the meeting, completing the survey, and e-mailing/calling him directly with input.

The meeting was adjourned.
