Michael Lamb called the meeting to order. He welcomed council members and explained that the 2018-2019 school calendar would be discussed at this meeting.

Lamb showed the members one calendar option that would be very similar to the current school year. It would have staff starting on August 9 and students starting classes on August 21. Students' last day would be May 23 and staff last day would be May 29. The group discussed this option.

Lamb showed a second calendar option with a staff start date of August 6 and student start date of August 16. Students' last day would be May 21 and staff last day would be May 24, pending no need for bad weather make-up. Discussion followed.

Lamb encouraged members to go back to campuses and discuss the options with other staff members for feedback. (Copies of both calendar options are included with minutes.) He said that further discussion about the calendars will continue at the February 21 council meeting.

The floor was opened for questions or comments. There were none and the meeting was adjourned.
