Michael Lamb called the meeting to order. He welcomed those in attendance and thanked them for coming. He opened the floor for any questions or comments. There were none.

Lamb told members they would be working on the 2020-2021 school calendar. He gave a brief overview of HB 3 and showed members where they can look on the TEA website for more detailed information. He told members that part of HB 3 requirements would dictate some changes to the calendar. Lamb next reviewed the current calendar with members.

Because of certain new training requirements, Lamb showed members a proposed calendar that included doing away with Exchange Time and using those two days for things like the new required Reading Academy for K-3rd grade teachers. The calendar would basically be the same as the current year's calendar, with a few changes. Following much discussion, members voted to approve a proposed calendar, including the following dates, to present to the school board for final approval at the March 6 meeting.
