Michael Lamb called the meeting to order. He said that a copy of the 2021-2022 calendar proposal had been sent to members to review and get feedback and that the meeting was to finalize the proposed calendar.

Lamb said he had expected members to ask about there not being a NETLA Sale Day holiday on the proposal. He said it would be possible to make that day a student holiday/staff workday if everyone agreed. Following discussion the members agreed to add Friday, February 25 as a student holiday/staff workday. Lamb asked if there were any other questions or comments about the calendar. There were none. He noted that the proposal would go to the school board on the following Monday for their approval.

Lamb thanked members again for attending and the meeting was adjourned.

Addendum Following the meeting and after recounting total days for the 2021-22 school year, it was determined that there was an extra day and the student holiday/staff workday on February 25 could actually be deemed a holiday for all. An email was sent to council members to get the consensus regarding the change. There was no opposition.
