Williams said the purpose of this meeting was to look at the District Improvement Plan. He provided members with copies of an outline of the plan. He highlighted and discussed the four current primary initiatives of the school board – Reading, Narrowing Performance Gaps, 21st Century Learning Skills, and Advocacy. These initiatives are found under Goal 1 and Goal 4. Next, Williams reviewed the plan. He asked if anyone had any specific areas they would like to look at. Craig Roberts asked about Objective 3 under Goal 1. Following discussion, Williams asked if there were any other areas of interest to anyone. There were none stated.

Williams opened the floor for announcements. There were none. He reported that the district had received the highest rating possible on the FIRST report presented to the board at the recent board meeting and commended Sherry McGraw for the great job she does with the financial reporting.

Williams thanked everyone again for attending and the meeting was adjourned.
