Jason Evans welcomed the DAC committee at 3:50 and explained the purpose of the committee. Mr. Evans explained the process for determining At-Risk students and how funding for State Compensatory Education is determined. He then gave an explanation of ESSA and the campuses that use ESSA in SSISD. This included an explanation of Rural and Low Income and the Parent Family Engagement aspect of Title I.

Following this, a Title I Meeting Update was provided to the DAC.

Parent Involvement Policy was discussed and viewed. Mr. Evans provided a handout for the discussion.

The Committee reviewed the SCE planned spending for the 2022 school year including Austin Academic, Edgenuity, Summer School and tutorials. The review concluded with a look at the personnel paid for with this fund.

The SCE policy and procedures manual was reviewed including how students are identified and how an evaluation is conducted by campus.

The District Improvement Plan was reviewed. Mr. Evans pointed out the four goals and the Strategic Plan goals that are a part of the DIP. Each of the Strategic Plan goals were reviewed individually.

Mr. Evans concluded the meeting at 5:00
